

The National Insurance Board of the Commonwealth of The Bahamas

Summer Students' Exemption

Employers are reminded that summer students between the ages of 14 years and 24 years, who are employed for an aggregate of 10 weeks, between the period June 1 and August 31, in any year, are exempted from paying National Insurance contributions from their earnings. The employer, however, is required to pay contributions of two percent (2%) of the students' insurable wages in respect of their summer earnings.

Persons who have questions may contact the Board's Consumer Hotlines at telephone numbers 325-4655/toll-free from the Family Islands at 1 (242) 300-1394, or the Freeport Local Office at 1 (242) 352-7222-4.
