## Form B.60 (Back of Form)

### TO THE EMPLOYER:

- When an employee is injured at work, complete two copies of this form.
- If the employee is to be transported home or to the hospital, you are to arrange a suitable conveyance. A reasonable cost for transport may be reclaimed from the National Insurance Board (N.I.B.) Local Office.
- Give one copy of this form to the employee or send it with the designated escort to the hospital.
- **This form allows for a one time visit for medical care services within the first 72 hours from the date of accident only.**
- Send or deliver the second copy of this form to the N.I.B. Local Office immediately.
- Complete Form B.44 (Employer's Report on Accident at Work) immediately and submit to N.I.B. No further care can be approved until the Form B.44 is registered and approved by the National Insurance Board.

### TO THE EMPLOYEE: (or escort):

- Give this form, as completed by the employer to the Ministry of Health hospital, clinic or other health care centers. The necessary treatment will be given.
- If incapable of work, have the doctor complete a medical certificate (Form Med. 1) and have the employer complete the Employers Certificate (Form Med. 4). Both forms **must be submitted together** to the National Insurance Board Local Office at once. Any delay in claiming may mean the loss of some benefit.

### TO THE HOSPITAL: (or clinic, etc.):

- The injured employee named overleaf is entitled to any necessary treatment without charge, under the National Insurance (Provision of Medical Care Services) Agreement between the Minister of Health and the National Insurance Board.

Form B.60 (revised 8/2022)
