

KINDNESS IS IN YOUR BLOOD GENEROSITY FLOWS THROUGH YOUR VEINS

In partnership with Doctors Hospital Health System and the Public Hospitals Authority, the National Insurance Board hosted a "Road to 50 Blood Drive" in New Providence and Grand Bahama. Thanks to the incredible generosity of our donors, up to 66 lives may be saved!

Our 50th Anniversary celebrations continue! Mark your calendars for our grand finale, a Health & Wellness Fair, in October 2024. Follow us for updates:
